## Ella`s Adventure

By Laoise Mulvey 2<sup>nd</sup> Class Mr O`Brien

Once upon a time, a girl called Ella went to her grandads house. Ella went up the stairs to play hide and seek with her two brothers. She hid in a dark room that she had never been in before. There was a wardrobe in the corner, so she went inside it to hide. She held out her hand but she could not feel the back. She walked in. "WOW!!" What she saw was amazing! She was on the moon! She walked around and whoops! She fell down with a thump. Ella had a soft landing, but what was this? Ella was on a giant teddy bear! She slid down the head and onto the leg and jumped down to the ground. There, right in front of her was a unicorn riding a dragon! It was a fantastic sight. Ella asked the dragon what his name was, and where she was. In a booming voice she heard "I am Bob and this is Tinkle." "Hi!" said Tinkle in a high voice. "And this is the land of Pinkle." The sky was green, the grass was blue and the trees were pink. There were purple flying monkeys and yellow tap-dancing cows. There were rainbow coloured unicorns flying all over the place. Then Ella heard a stomping sound. Something was coming! Two huge figures came stomping towards her. One had razor sharp teeth and the other had a very long nose. Ella ran! "Bye!" she called to Tinkle and Bob. She climbed up the teddy bear and went through the trapdoor. She was on the moon but she didn't care. She was going home!!

## Rubber Band Eggs. By: Kellie and Lily

It wouldn't be Easter without coloured eggs. Make terrific eggs just by using a hard boiled egg , food colours or dyes and different sizes of rubber bands!

Step 1. Wrap the rubber bands around the egg making a random pattern. When you dip the covered egg, the dye will soak into the rubber bands and in some areas.

Step 2. Remove the egg from the dye when the colour is bright enough.

Step 3. Put the eggs on paper towels. Wait until they're dry before taking off the rubber bands.

If you want you can wrap the dry eggs with rubber bands once again and repeat with a new colour! HAVE FUN!

# Car Wash

By Nathan Boxwell

Mr O' Donoghue 2nd class

Bob's Dad was washing his car. "I really hate this job" said Dad to Bob and Josh. If you want to earn some money, you should wash people's cars. Bob and Josh thought this was a great idea. Then they made a big sign, filled some buckets with soapy water and got some sponges. Soon afterwards Mr. Cole drove by. "Hello boys" he said. "I will be your first customer". Bob and Josh looked at the car. It was very dirty! "This was going to take ages!" said the boys. Melinda, who lived down the road, was walking by them. "Hi Melinda" said Bob and Josh. "What are you doing?" asked Melinda. That looks fun!! Bob had an idea. "It is really fun" lied Bob. If you give us €1 you can help. "Thank you" said Melinda pleased. "I haven't got the money now but I'll ask my Dad for it later. Bob handed Melinda a sponge and high fived Josh behind her back. Melinda was working hard and soon the car was sparkling clean. "You've done a wonderful job boys" said Mr Cole. Thank you. Melinda's Dad was next to pull up into the driveway. "Hello Dad" said Melinda. "Can we please wash your car? Bob said while pointing to the sign. It'll cost € 1 said Melinda. Dad got out his wallet. "Please may I have €1 Dad" asked Melinda. "I need to pay Bob and Josh for letting me help". "Here" and Dad put the wallet back in his pocket. "Oh you won't be doing anything" said Dad crossly. He turned to Bob and Josh. "I am going to speak to your parents" he said. Bob and Josh's parents weren't happy. "You two can wash Melinda's Dad's car for free!!!" said Josh's Mom. "You can also wash our car and give Melinda's money back" said Josh's Mom. Bob and Josh sighed. "Can I wash the car for free? I LOVE washing cars!!! said Melinda.

## SUPER BANANA!

This is the story of a banana that has SUPER POWERS! He isn't that good at using them though. His sidekick, Little G the grape was always complaining about his uselessness. One day, Super Banana was just chillin' with Little G when they heard an EXPLOSION!!! It was Carrot the Cruel and Mr Potato! Fruits were the deadliest enemies of vegetables. Poor Tom the Tomato didn't know what side he was on though. Super Banana jumped to his... banana skin.... And yelled at Little G, saying, "Super Banana is about to get his Banana on!!!!"

Carrot the Cruel was breaking into the bank and trying to steal all the Fruit Francs! Mr Potato wasn't doing anything because he was.... Let's just say not clever. Super Banana tried to fly over, but of course he couldn't, because he's a banana. He was able to zap them with his banana laser gun though. But it was too late! Carrot the Cruel and Mr Potato had already fled the beautiful country of Fruitland.

"Get your... whatever grapes need to fight evil vegetables... and prepare yourself. We are going to bring these Evil vegetables to JUSTICE! Oh and look great doing it!" Little G slapped his hand to his head.
